Essence of Soul

ABOUT US

Urja's parent company, United Group of Food Consultants has been the pioneer of incredible,unparalleled products since 2003. We offer such products to you along with the promise of integrity and efficacy. Our extraordinarily crafted essential oils will bring a sensual and elegant experience to your daily routine along with unmatched natural benefits. Our oils are carefully extracted from absolutely organic sources and are thereafter tested thoroughly to ensure zero contamination. Urja uses recipes which are high in natural value and are worked upon by professionals.

ESSENTIAL

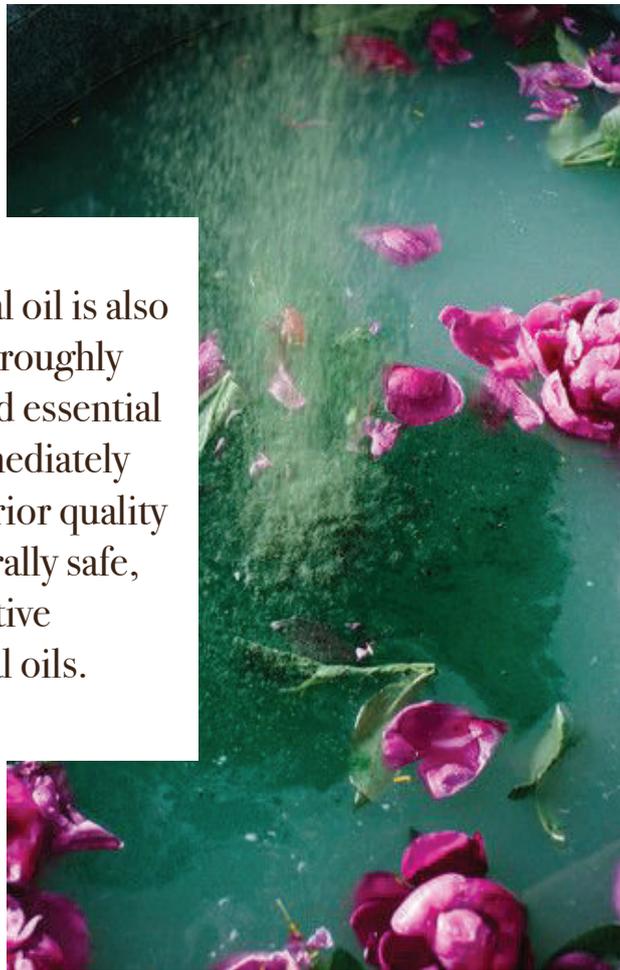

OIL

PARTNER WITH US
AND INTRODUCE
URJA'S ESSENTIAL
OILS TO YOUR SPA!

When you choose us, you are choosing essential oils gently and carefully distilled from plants that have been patiently harvested at the perfect moment by experienced growers from around the world for ideal extract composition and efficacy.

Each of the essential oil is also carefully and thoroughly tested. Experienced essential oil users will immediately recognize the superior quality standard for naturally safe, purely effective Urja's essential oils.

Essence of Soul

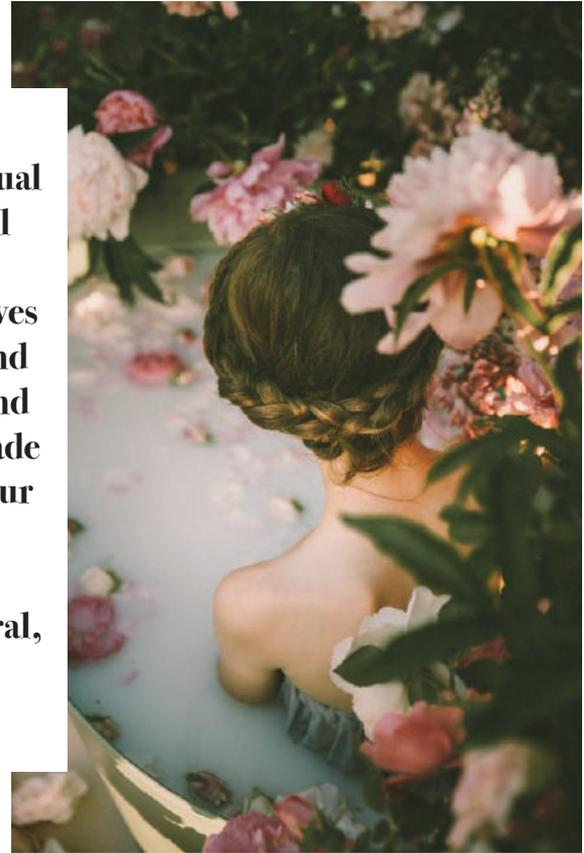

Jasmine

It's Benefits: Antispasmodic, Improves sleep pattern, immunity and fights infections, Reduces PMS symptoms, Promotes healthy skin, Boosts Concentration and helps with Post-Pregnancy Symptoms.

An extraordinary amalgam of rich, sensual and elating aromas- Urja's essential oil serves as an assistant for your mental well-being. It's sweet and erotic scent gives the mind a sense of calm. The intense and exotic savour evokes positive feelings and reduces depressive symptoms. It helps fade acne marks and blemishes and leaves your hair soft and shiny. The oil is dark orange-brown in colour with a gluey consistency. Its aroma is warm, rich, floral, and sweet, with a tea-like undertone.

Lavender

It's Benefits: Relieves Pain, Treats Various Skin Disorders, Keeps Your Hair Healthy, Helps Improve Digestion, Relieve Respiratory Disorders, Improves Blood Circulation and Improves Mood.

100% pure and organic, an exalted blend of crisp, flowery, clean, and tranquilizing herbs, lavender essential oil with its myriad benefits, not only treats your skin but also stimulates corporeal and emotional comfort. The oil's cool nature helps to reduce acne and wrinkles, lighten skin tone and soothe skin irritation. Being the ideal choice for aromatherapy, this natural sedative is sure to uplift your spirit and energize your mind, body and soul. The lavender essential oil is an insipid yellowish liquid with a sweet, flowery and calming scent and a balsamic tinge.

Lemon

It's Benefits: Antimicrobial, Antioxidant, Anti-inflammatory, Astringent, Helps decrease hyperpigmentation, Controls Anxiety , Promotes weight loss, Boost your motivation, and Improves Digestion.

100 % natural and pure lemon essential oil has an exhilarating aroma that acts as a perfect aid for your mental well-being. It revitalizes the mind and bolsters your body. Its high vitamin C content annihilates the acne and lightens blemishes. It fights dandruff and leaves your hair smooth and glossy. Its aroma assures that you get a good night's sleep. Lemon Essential Oil is pale green-yellow in colour and has a thin consistency. This oil will turn brown with aging. The oil's scent can be described as clean, citrusy and slightly sweet.

Lemongrass

It's Benefits: It's used for Acne, Anxiety, Athlete's foot, Excessive sweating, Headaches, Indigestion and Muscle aches. It helps to fight Dandruff and Fungal Infections. It clears pores and treat acne.

Urja's Lemongrass essential oil with its powerful citrus aroma serves as a tonic for the overall well-being of your skin and body. This little bottle of embrocation is ideal for aromatherapy and also leaves your skin unblemished and flawless. This oil is yellowish, amber or reddish-brown in colour and has an aroma which is fresh and citrus-like, finer than citronella, fresher than lemon. Lemongrass essential oil aids in mood elevation, advances alertness, endorses restful sleep and reduces stress. It also rejuvenates, revives and balances the nervous system. The oil strengthens psychic alertness and aids in purification.

Orange

It's Benefits: It lifts your mood, treat skin conditions such as acne, reduces pain or inflammation, adds a pleasant scent to a room or to products like perfumes. Helps in weight loss and skin brightning.

Extracted from the rind of the sweet orange, Urja's essential oil has high vitamin C content which lightens and brightens the skin tone. Its fresh crisp scent can be breathed in through aromatherapy. The pleasant smell of this essential oil also calms the mind and acts as a stress buster. The vapors of this oil are rich in limonene, and also contain linalool, myrcene, and alpha-pinene that have potent antibiotic and bactericidal properties. Essential oils in orange peel can combat dental caries.

Peppermint

It's Benefits: A treatment for a variety of conditions, nausea, and other digestive issues, common cold and head aches. A topical application for relief from itching, muscle pain. And, a flavoring agent in foods and health products.

An extraordinary specimen of Urja's, this peppermint essential oil serves as the ultimate additive for aromatherapy. It boosts your energy levels and refreshes your mind, body, and soul. It's healing properties purify the skin and make it look radiant and youthful. It relaxes the mind and helps heal headaches.

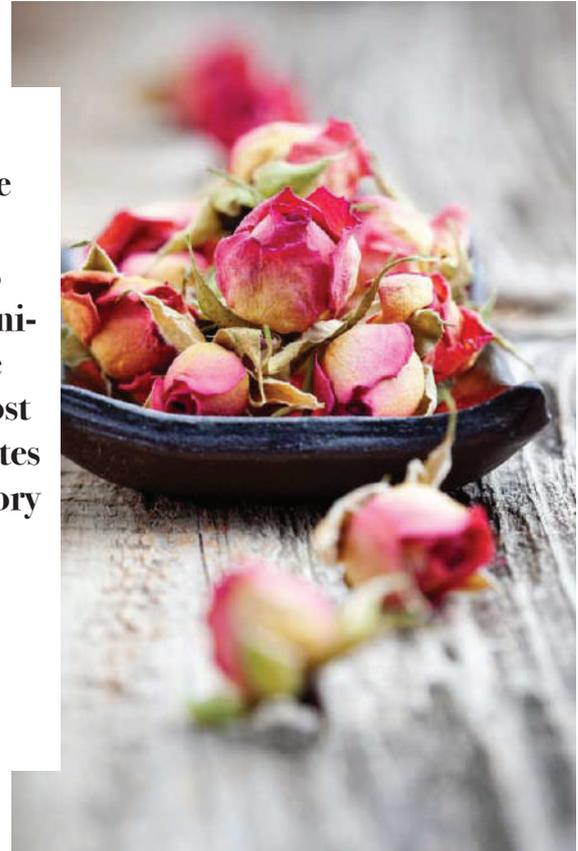

Rose

It's Benefits: Best suited for Aromatherapy, Provides relief from menstrual discomfort, Aids against anti ageing, Balances hormones, Used as natural perfume.

The sweet aroma of this natural Rose essential oil is made from rich rose extracts. It hydrates dry skin, clears acne, reduces signs of ageing, and minimizes the appearance of scars. Rose essential oil's sensual fragrance is most appealing as it reduces stress, stimulates blood circulation, sharpens the memory and boosts your mood. It clears the respiratory tract and helps to solve digestive and menstrual problems.

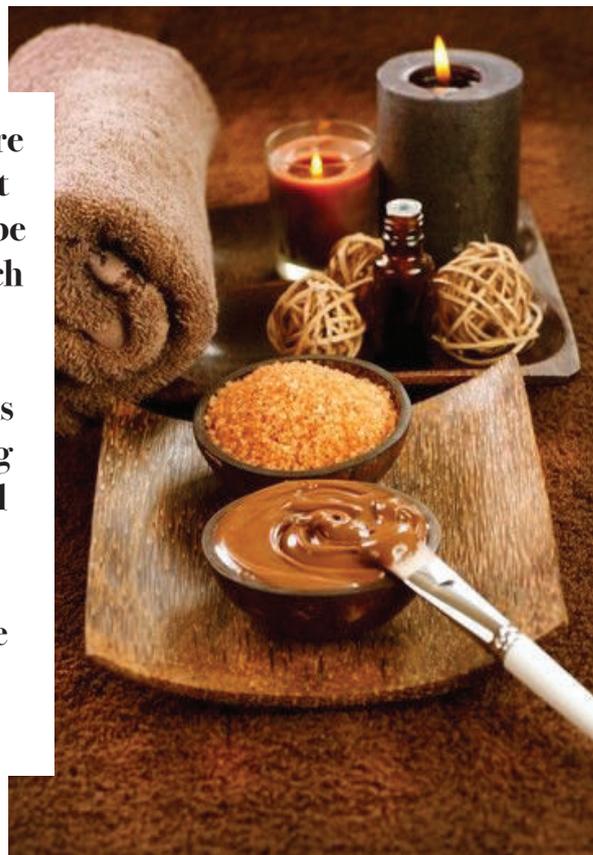

Sandalwood

It's Benefits: Natural relaxant, Lowers Blood Pressure, Anti-inflammatory, Antiseptic, Helps in the common cold, Digestive problems, Skin disorders, Support wound healing and fights bacteria.

The earthy and exotic aroma of Urja's pure essential oil makes it an ultimate element for engendering a meditative aura. It can be breathed in through aromatherapy. Its rich and remedial scent relaxes the body and calms the mind. It helps the skin retain moisture and leaves it soft and supple. It is implemented for its calming and relaxing properties, along with improving mental clarity and grounding. Often used as an aphrodisiac oil, you will also find Sandalwood oils in skin care and massage products. This oil is clear to brown in colour, somewhat thick.

Sweet Basil

It's Benefits: Antimicrobial, Antioxidant, Anti-inflammatory, Febrifuge (it helps in reducing fever), It helps in killing the insects, Energizing, Antidepressant, It helps in tightening and toning the skin.

Urja's Sweet Basil Essential oil, when massaged into the skin, it adds lustre to a dull skin. Also commonly used to treat the indications of acne and other skin infections. It's oil-absorbing properties strip away excess scalp grease while adding shine. It is also widely used in aromatherapy to treat respiratory issues as well as tension, mental exhaustion, migraines and melancholy. It is a pale coloured oil with a sweet and herbal smell.

Tea Tree

It's Benefits: It eases pain, Provides relief from menstrual discomfort, Eases depressive symptoms, Decreases anxiety and stress, Improves skin texture. Has Antibacterial, antifungal properties.

Urja's Tea Tree essential oil is a panacea for all microbial infections. It is beneficial in fighting against dandruff, hair-fall and after spots left by acne. It leaves your skin hydrated without making it oily. Tea tree oil uses are numerous – it can be used to make homemade cleaning products, diffused to kill toxic mould that's growing in your home, and applied topically to heal skin issues and treat skin infections. It possesses a fresh camphoraceous like odour and a colour that ranges from pale yellow to nearly colourless and clean.
