

# VACANT SEAT

# Welcome to Vacant Seat!

**At Vacant Seat, we have a broad spectrum of premium quality seat covers ranging from bare minimum to the luxury never felt before with the sole intention of ensuring utmost comfort depending upon one's need and choice.**

**We understand that a car is not just a daily necessity anymore but a four-wheeler companion whom we spend time with as much as our loved ones.**

Vacant Seat is a Delhi-NCR based entrepreneurial venture incorporated under the parent company, The United Group.

Launched in Delhi in 2018, we started began with a humble idea to provide much needed convenience and on-door professional service in the car seat cover segment of the automobile industry. After receiving hundreds of happy customer reviews, we have grown into a business with our own manufacturing of car seat covers, car perfumes and other accessories.

We majorly deal in all kinds of seat cover materials for your car along with their accessories and custom-made covers available on demand within 48 hours of placing the order.

**We aim at providing doorstep installation and car dry-cleaning services to help you save your time, effort and fuel.**

We bank on working with you soon!

Expanding our service region in the near future.
